- v. Notes No 12 The License agreement between Company and DOT does not have any guidance on change in method of calculation of Adjusted Gross Revenue (AGR) due to migration to Ind-AS from I-GAAP. Provisioning and payment of liability in respect of license fees and spectrum usage charges payable to DOT has been done on the basis of Ind-AS based financial statements. The amount of difference in computation of Adjusted Gross Revenue (AGR) is under consideration of DOT.
- vi. Notes No 13 Dues from the Operators being on account of revenue sharing agreements are not treated as debtors and consequently are not taken into account for making provision for doubtful debts.
- vii. Notes No 14 The operations and maintenance of wireless network has been handed over to BSNL as an outsource agency from 1.4.2021 (in case of Delhi) and 1.9.2021 (in case of Mumbai) onwards. Pending finalization of standard operating procedures the financial impact of the same (if any) will be accounted for on finalization of operational modalities .

**Annexure – I to the Independent Auditors' Review Report  
(Referred to in Para 3 of our report of even date)**

- i. The Net Worth of the Company has been fully eroded; The Company has incurred net cash loss during the quarter and nine months ended December 31<sup>st</sup> 2022 as well as in the previous year ended 31<sup>st</sup> March 2022 and the current liabilities exceeded the current assets substantially.

Furthermore, Department of Public Enterprises vide its Office Memorandum No. DPE/5(1)/2014-Fin. (Part-IX-A) has classified the status of the Company as "Incipient Sick CPSE". Department of Telecommunication (DOT) has also confirmed the status vide its issue no. I/3000697/ 2017 through file no. 19-17/2017 – SU-II.

However, the standalone financial results of the Company have been prepared on a going concern basis keeping in view the majority stake of the Government of India.

Further, Union Cabinet has also approved the "Revival plan of BSNL and MTNL" by reducing employee costs, administrative allotment of spectrum for 4G services, debt restructuring by raising of sovereign guarantee bonds, monetization of assets and in principle approval for merger of BSNL and MTNL. Further, the Company has implemented the Voluntary Retirement Scheme in FY 2019-20 resulted into reduction in Employees Cost and also raised funds by issuing Bonds for ₹ 6,500 crore in FY 2020-21 in line with cabinet note.

Recently, as per F.NO.20-28/2022-PR dated 2nd August, 2022, the Union Cabinet in its meeting held on 27.07.2022 has approved the raising of Sovereign Guarantee bonds for MTNL with a tenure of 10 years or more for an amount of Rs. 17,571 crores in two financial years i.e 2022 & 2023 with waiver of guarantee fee to repay its high cost debt and restructure it with new sustainable loan. During the quarter and nine months ended December 31<sup>st</sup> 2022, the company has raised Rs. 8867.50 Crores.

ii. **Bharat Sanchar Nigam Limited (BSNL):**

- a) The Company has certain balances receivables from and payables to Bharat Sanchar Nigam Limited (BSNL). The net amount recoverable of Rs. 3513.21 Crores is subject to reconciliation and confirmation. In view of non-reconciliation and non-confirmation and also in view of various pending disputes regarding claims and counter claims, we are not in a position to ascertain and comment on the correctness of the outstanding balances and resultant impact of the same on the standalone financial results of the Company.
- b) The Company has not provided a provision for doubtful claims in respect of lapsed CENVAT Credit due to non-payment of service tax to service providers within the period of 180 days and due to transition provision under Goods and Service Tax (GST) where the aforesaid CENVAT credit amounting to Rs. 115.97 Crores has not been carried forward resulting in understatement of loss to that extent.

- iii. The Company has certain balances receivables from and payables to Department of Telecommunication (DOT). The net amount recoverable of Rs. 92.13Crores, out of which Rs. 91.98Crores is subject to reconciliation and confirmation. In view of non-reconciliation and non-confirmation, we are not in a position to ascertain and comment on the correctness of the outstanding balances and resultant impact of the same on the standalone financial results of the Company

- iv. Up to financial year 2011-12 License Fee payable to the DOT on IUC charges to BSNL was worked out on accrual basis as against the terms of License agreements requiring deduction for expenditure from the gross revenue to be allowed on actual payment basis. From financial year 2012-13, the license fee payable to the DOT has been worked out strictly in terms of the license agreements. The Company continues to reflect the difference in license fee arising from working out the same on accrual basis as aforesaid for the period up to financial year 2011-12 by way of contingent liability of Rs. 140.36 Crores instead of actual

liability resulting in understatement of current liabilities and understatement of loss to that extent.

- v. The Company had allocated the overheads towards capital works in a manner which is not in line with the accepted accounting practices and Indian Accounting Standard – 16 “Property, Plant and Equipment” prescribed under Section 133 of the Act, the same results into overstatement of capital work in progress/ property, plant and equipment and understatement of loss. The actual impact of the same on the standalone financial results for the quarter and nine months ended December 31<sup>st</sup> 2022 is not ascertained and quantified.
- vi. Except for the impairment loss of assets of CDMA units provided in earlier years, no adjustment has been considered on account of impairment loss, if any, during the quarter and nine months ended December 31<sup>st</sup>, 2022, with reference to Indian Accounting Standard – 36 “Impairment of Assets” prescribed under Section 133 of the Act. In view of uncertainty in achievement of future projections made by the Company, we are unable to ascertain and comment on the provision required in respect of impairment in carrying value of cash generating units and its consequent impact on the loss for the quarter and nine months ended December 31<sup>st</sup>, 2022.
- vii. The Company does not follow a system of obtaining confirmations and performing reconciliation of balances in respect of amount receivables from trade receivables, deposits with Government Departments and others, claim recoverable from operators and others parties and amount payables to trade payables, claim payable to operators, and amount payable to other parties. Accordingly, amount receivables from and payables to the various parties are subject to confirmation and reconciliation. Pending such confirmation and reconciliations, the impact thereof on the standalone financial results are not ascertainable and quantifiable.
- viii. Unlinked credit of Rs. 70.48 Crores on account of receipts from subscribers against billing by the Company which could not be matched with corresponding receivables is appearing as liabilities in the balance sheet. To that extent, trade receivables and current liabilities are overstated. Pending reconciliations, the impact thereof on the standalone financial results are not ascertainable and quantifiable.
- ix. Property, Plant and Equipment are generally capitalized on the basis of completion certificates issued by the engineering department or bills received by finance department in respect of bought out capital items or inventory issued from the Stores. Due to delays in issuance of the completion certificates or receipt of the bills or receipt of inventory issue slips, there are cases where capitalization of the Property, Plant and Equipment gets deferred to next year. The resultant impact of the same on the standalone financial results by way of depreciation and amount of Property, Plant and Equipment capitalized in the balance sheet cannot be ascertained and quantified.

Department of Telecommunication (DOT) had raised a demand of Rs. 3313.15 Crores in 2012-13 on account of one time charges for 2G spectrum held by the Company for GSM and CDMA for the period of license already elapsed and also for the remaining valid period of license including spectrum given on trial basis.

As explained the demand for spectrum usage for CDMA for Rs 107.44 Crores has been withdrawn by DOT on account of rectification of actual usage.

Also as explained, pending finality of the issue by the Company regarding surrender of a part of the spectrum, crystallization of issue by the DOT in view of the claim being contested by private operators and because of the matter being sub-judice in the Apex Court on account

of dispute by other private operators on the similar demands, the amount payable, if any, is indeterminate. Accordingly, no liability has been created for the demand made by DOT on this account and Rs. 3205.71 Crores has been disclosed as contingent liability till FY 2018-19 although no further demand is there from DOT till date. However as explained further, the TDSAT while setting aside the levy of OTSC on spectrum allotted beyond 6.2 Mhz , directed Govt. to review the demand for spectrum allotted after 1-7-2008 and that too wef 1-1-2013 in case the spectrum beyond 6.2 Mhz was allotted before 1-1-2013. As explained , as per the TDSAT orders also no further demand is raised till now and as per management based on TDSAT direction the demand ,if any, cannot be more than Rs 455.15 crores the same is considered as contingent liability. In view of the above we are not in a position to comment on the correctness of the stand taken by the Company and the ultimate implications of the same on the standalone financial results of the Company.

- xi. The company has recovered Electricity Charges from the tenants, on which liability for Goods and Services Tax (GST) has not been considered, as the expenses recovered without installing sub meter. The actual impact of the same on the standalone financial results for the quarter and nine months ended December 31st, 2022 has not been ascertained and quantified
- xii. The TDS on provision for Expenses (Accrued Liability) has not been deducted under chapter XVII- B of Income Tax Act, 1961. The actual impact of the same on the standalone financial results for the quarter and nine month ended December 31<sup>st</sup>, 2022 has not been ascertained and quantified.
- xiii. The Company is making the provision for interest for late/non-payment to MSME vendors and the company has not complied with the provision of chapter XVII- B of Income Tax Act, 1961 on such provision for interest. The actual impact of the same on the standalone financial results for quarter and nine month ended December 31<sup>st</sup>, 2022 is not ascertained and quantified.
- xiv. The income arising on account of rental income in respect of property occupied by the BSNL in Delhi unit amounting to Rs. 8.38 Crores and Rs. 33.53 Crores accrued during the quarter and nine month December 31<sup>st</sup>, 2022 respectively has not been recognized in the Standalone financial results. Further, the Goods and Services Tax (GST) has also not been considered in respect of income arising on account of rented property occupied by the BSNL for both Delhi and Mumbai unit. The accumulated impact on the standalone financial results of such income for the quarter and nine month ended December 31<sup>st</sup>, 2022 and preceding years is not ascertained and quantified.
- xv. Out of the total revenue from operations for the quarter and nine months ended December 31<sup>st</sup>, 2022 Rs. 203.19 Crores and Rs. 659.22 Crores respectively, in respect of Delhi unit revenue of Rs. 1.17 Crores has been computed and accounted for Interconnect billing for the quarter and nine months ended December 31<sup>st</sup>, 2022 under review, on the basis of assumption of Incoming traffic (in minutes) of Sept 2022.

The above basis for qualified conclusion referred to in Para no. (i) to (xv) were subject matter of qualification in the Auditor's Report for the year ended on March 31<sup>st</sup>, 2022 and in the Limited review report for the quarter ended June 30<sup>th</sup> 2022 and half year ended September 30<sup>th</sup>, 2022.

In the absence of information, the effect of which can't be quantified, we are unable to comment on the possible impact of the items stated in the point nos. (i), (ii)(a), (iii), (v), (vi), (vii),(viii), (ix), (x), (xi), (xii), (xiii),(xiv) & (xv) on the standalone financial result of the Company for the quarter and nine month ended December 31<sup>st</sup>, 2022.

**Annexure – I to the Independent Auditors' Review Report**  
**(Referred to in Para 3 of our report of even date)**

- i. The Net Worth of the Holding Company has been fully eroded; The Holding Company has incurred net cash loss during the quarter and Nine months ended December 31<sup>st</sup>, 2022 as well as in the previous year ended 31<sup>st</sup> March 2022 and the current liabilities exceeded the current assets substantially.

Furthermore, Department of Public Enterprises vide its Office Memorandum No. DPE/5(1)/2014-Fin. (Part-IX-A) has classified the status of the Holding Company as "Incipient Sick CPSE". Department of Telecommunication (DOT) has also confirmed the status vide its issue no. I/3000697/ 2017 through file no. 19-17/2017 – SU-II.

However, the consolidated financial results of the Holding Company have been prepared on a going concern basis keeping in view the majority stake of the Government of India.

Further, Union Cabinet has also approved the "Revival plan of BSNL and MTNL" by reducing employee costs, administrative allotment of spectrum for 4G services, debt restructuring by raising of sovereign guarantee bonds, monetization of assets and in principle approval for merger of BSNL and MTNL. Further, the Holding Company has implemented the Voluntary Retirement Scheme in FY 2019-20 resulted into reduction in Employees Cost and also raised funds by issuing Bonds for ₹ 6,500 crore in FY 2020-21 in line with cabinet note.

Recently, As per F.NO.20-28/2022-PR dated 2nd August, 2022, the Union Cabinet in its meeting held on 27.07.2022 has approved the raising of Sovereign Guarantee bonds for MTNL with a tenure of 10 years or more for an amount of Rs. 17,571 crores in next two financial years i.e 2022 & 2023 with waiver of guarantee fee to repay its high cost debt and restructure it with new sustainable loan. During the quarter and nine months ended December 31<sup>st</sup> 2022, the company has raised Rs. 8867.50 Crores.

ii. **Bharat Sanchar Nigam Limited (BSNL):**

a) The Holding Company has certain balances receivables from and payables to Bharat Sanchar Nigam Limited (BSNL). The net amount recoverable of Rs. 3513.21 Crores is subject to reconciliation and confirmation. In view of non-reconciliation and non-confirmation and also in view of various pending disputes regarding claims and counter claims, we are not in a position to ascertain and comment on the correctness of the outstanding balances and resultant impact of the same on the consolidated financial results of the Holding Company.

b) The Holding Company has not provided a provision for doubtful claims in respect of lapsed CENVAT Credit due to non-payment of service tax to service providers within the period of 180 days and due to transition provision under Goods and Service Tax (GST) where the aforesaid CENVAT credit amounting to Rs. 115.97 Crores has not been carried forward resulting in understatement of loss to that extent.

- iii. The Holding Company has certain balances receivables from and payables to Department of Telecommunication (DOT). The net amount recoverable of Rs. 92.13 Crores, Out of which Rs. 91.98 Crores is subject to reconciliation and confirmation. In view of non-reconciliation and non-confirmation, we are not in a position to ascertain and comment on the correctness of the outstanding balances and resultant impact of the same on the consolidated financial results of the Holding Company.

- iv. Up to financial year 2011-12 License Fee payable to the DOT on IUC charges to BSNL was worked out on accrual basis as against the terms of License agreements requiring deduction for expenditure from the gross revenue to be allowed on actual payment basis. From financial year 2012-13, the license fee payable to the DOT has been worked out strictly in terms of the license agreements. The Holding Company continues to reflect the difference in license fee arising from working out the same on accrual basis as aforesaid for the period up to financial year 2011-12 by way of contingent liability of Rs. 140.36 Crores instead of actual liability resulting in understatement of current liabilities and understatement of loss to that extent.
- v. The Holding Company had allocated the overheads towards capital works in a manner which is not in line with the accepted accounting practices and Indian Accounting Standard – 16 “Property, Plant and Equipment” prescribed under Section 133 of the Act, the same results into overstatement of capital work in progress/ property, plant and equipment and understatement of loss. The actual impact of the same on the consolidated financial results is not ascertained and quantified.
- vi. Except for the impairment loss of assets of CDMA units provided in earlier years, no adjustment has been considered on account of impairment loss, if any, during the quarter and nine months ended December 31<sup>st</sup>, 2022, with reference to Indian Accounting Standard – 36 “Impairment of Assets” prescribed under Section 133 of the Act. In view of uncertainty in achievement of future projections made by the Holding Company, we are unable to ascertain and comment on the provision required in respect of impairment in carrying value of cash generating units and its consequent impact on the loss for the quarter and nine months ended December 31<sup>st</sup>, 2022.
- vii. The Holding Company does not follow a system of obtaining confirmations and performing reconciliation of balances in respect of amount receivables from trade receivables, deposits with Government Departments and others, claim recoverable from operators and others parties and amount payables to trade payables, claim payable to operators, and amount payable to other parties. Accordingly, amount receivables from and payables to the various parties are subject to confirmation and reconciliation. Pending such confirmation and reconciliations, the impact thereof on the consolidated financial results are not ascertainable and quantifiable.
- viii. Unlinked credit of Rs. 70.48 Crores on account of receipts from subscribers against billing by the Holding Company which could not be matched with corresponding receivables is appearing as liabilities in the balance sheet. To that extent, trade receivables and current liabilities are overstated. Pending reconciliations, the impact thereof on the consolidated financial results are not ascertainable and quantifiable.
- ix. Property, Plant and Equipment are generally capitalized on the basis of completion certificates issued by the engineering department or bills received by finance department in respect of bought out capital items or inventory issued from the Stores. Due to delays in issuance of the completion certificates or receipt of the bills or receipt of inventory issue slips, there are cases where capitalization of the Property, Plant and Equipment gets deferred to next year. The resultant impact of the same on the consolidated financial results by way of depreciation and amount of Property, Plant and Equipment capitalized in the balance sheet cannot be ascertained and quantified.

- x. Department of Telecommunication (DOT) had raised a demand of Rs. 3313.15 Crores in 2012-13 on account of one time charges for 2G spectrum held by the Company for GSM and CDMA for the period of license already elapsed and also for the remaining valid period of license including spectrum given on trial basis.

As explained the demand for spectrum usage for CDMA for Rs 107.44 Crores has been withdrawn by DOT on account of rectification of actual usage.

Also as explained, pending finality of the issue by the Company regarding surrender of a part of the spectrum, crystallization of issue by the DOT in view of the claim being contested by private operators and because of the matter being sub-judice in the Apex Court on account of dispute by other private operators on the similar demands, the amount payable, if any, is indeterminate. Accordingly, no liability has been created for the demand made by DOT on this account and Rs. 3205.71 Crores has been disclosed as contingent liability till FY 2018-19 although no further demand is there from DOT till date. However as explained further, the TDSAT while setting aside the levy of OTSC on spectrum allotted beyond 6.2 Mhz, directed Govt. to review the demand for spectrum allotted after 1-7-2008 and that too w.e.f 1-1-2013 in case the spectrum beyond 6.2 Mhz was allotted before 1-1-2013. As explained, as per the TDSAT orders also no further demand is raised till now and as per management based on TDSAT direction the demand, if any, cannot be more than Rs 455.15 crores the same is considered as contingent liability.

In view of the above we are not in a position to comment on the correctness of the stand taken by the Holding Company and the ultimate implications of the same on the consolidated financial results of the Holding Company.

- xi. The Holding Company has recovered Electricity Charges from the tenants, on which liability for Goods and Services Tax (GST) has not been considered, as the expenses recovered without installing sub meter. The actual impact of the same on the consolidated financial result for quarter and nine months ended December 31<sup>st</sup>, 2022 is not ascertained and quantified.
- xii. The TDS on provision for Expenses (Accrued Liability) has not been deducted under chapter XVII- B of Income Tax Act, 1961. The actual impact of the same on the consolidated financial result for quarter and nine months ended December 31<sup>st</sup>, 2022 is not ascertained and quantified.
- xiii. The Holding Company is making the provision for interest for late/non-payment to MSME vendors and the company has not complied with the provision of chapter XVII- B of Income Tax Act, 1961 on such provision for interest. The actual impact of the same on the consolidated financial results for quarter and nine months ended December 31<sup>st</sup>, 2022 is not ascertained and quantified.
- xiv. The income arising on account of rental in respect of property occupied by the BSNL amounting to Rs. 8.38 Crores and Rs. 33.52 Crores accrued during the quarter and nine months ended December 31<sup>st</sup>, 2022 respectively has not been recognized in the Consolidated financial results. Accordingly, the Goods and Services Tax (GST) has also not been considered. The accumulated impact on the consolidated financial results of such income for the quarter and nine months ended December 31<sup>st</sup>, 2022 and preceding years is not ascertained and quantified.

- xv. The above basis for qualified conclusion referred to in Para no. (i) to (xv) were subject matter of qualification in the Auditor's Report for the year ended March 31<sup>st</sup>, 2022 and in the Limited review report for the quarter ended June 30<sup>th</sup> 2022 and half year ended September 30<sup>th</sup>, 2022.

In the absence of information, the effect of which can't be quantified, we are unable to comment on the possible impact of the items stated in the point nos. (i), (ii)(a), (iii), (v), (vi), (vii),(viii), (ix), (x), (xi), (xii), (xiii) (xiv)and (xv) on the consolidated financial result of the Holding Company for the quarter and nine months ended December 31st, 2022.
